Way back in time,
In a land of tattered clothes,
Emerges a power
That only Fred knows

We're rockin' in the gravel pits
Rockin' every day

Cause I'm...
I'm lost
Lost
Down in Bedrock
Down in Bedrock

Gotta give Dino his daily treat
Betty and Wilma oh look so sweet
I'm gonna go have me a Bronto Burger
Gonna go and really get down down down down

Cause now..
You're lost
Down in Bedrock
Down in Bedrock

Cause I'm lost
Down in Bedrock
Down in Bedrock
Down in Bedrock
Down in Bedrock.....
