Said I was goin' to Matangna
Right away from death and havin' fun
Not to stray from on the beach
The full rocket's from within our reach
It's within our reach
So Hang 10 in East Berlin, hang 10, hand 10, hang 10,
in East Berlin (x2)
Blubber in the water it's gonna kill you
No you can't fight back boys that just won't do, no
So dark out but you gotta keep the beat, keep the beat
So Hang 10 in East Berlin, hang 10, hand 10, hang 10,
in East Berlin (x3)
