Frankie... Annette  
One day I took a trip in my car  
And went straight down Golden State  
And went to the beach  
But when I got there I just want to cry  
Cuz there were so many people  
I didn't know what to do  
Cuz every time I go there  
My board gets covered with oil  
Every time I go there  
Some hodad steals my wax  
And when I get on top of those  
The guy he cuts me off  
Why do they cut me off  
There's stupid idiots in the water  
They keep cut me off  
There's too many surfers  
I wanna kill myself  
You know...

I hate surfing in HB  
Hate surfing in HB  
Hate surfing in HB

The chicks are jerks  
The guys think their so cool  
They just look at each other  
And always try and steal the surf  
But not on my wave this time buddy  
I'm gonna push you down  
I'm gonna take the wave  
That wave is, mine, mine, mine, mine, mine, mine,  
mine  
You're not gonna take it from me  
Cuz I've got it  
I'm getting in there  
I'm in the tube, boy I'm really getting off  
I'm getting off  
I'm surfing this is fucking cool

I hate surfing in HB  
Hate surfing in HB

Hate surfing if the waves are always shitty

Ohh... well we can always go to the beach party and  
find girls

Hey... Isn't, isn't that Bill floating in the shore break.
