featuring Big L Fat Joe

[Big L]

I drive up and down Harlem blocks

Iced down medallions cops think I'm selling rocks

Pulling me over too see if I'm drunk

but I'm soberm they wouldn't fuck with me if I drove a
Nova

Listen Columbo you're mad because your money come
slow

And what you make in a year I make in one show

Now you wanna frisk me and search my ride

Call me all kinda names try to hurt my pride

You're just mad couse I'm a young cat

Pockets dumb fat, talkin bout where the gun at

I been there and done that

I'm through with that illegal life I'm stayin legit

I love to see cars come cruisin bye and playin my shit

I walk around with six thou without the pistol

My whole click's wild I'm rich Pah

No more sticks I'm makin hits now

I drink Cristal I'm through breaking laws

I don't sell coke anymore I do tours

So get that flashlight out of my face

To bring me down Jake do whatever it takes

Word up them federals got my phone and my house
tapped

Praying that I fall for the mouse trap, I doubt that

Chorus: Big L

Why do I end up in so much shit

I don't came way too far to be calling it

Jake wanna lock me up even though I'm legit

They can't stand to see a young brotha pockets get
thick

[Fat Joe]

Hey yo enough is enough federals try to set me up

Put me in cuffs and crush what I lost into dust

Plus they want a nigga

But they know Big Joey Crack ain't never rat a cat that
he know

I left the streets alone, and almost killed his mama

So I'ma keep doin what I'm doin

Pursuin my dream til there enough cream to start my
own union

And show these kids how legit it is

Shit is real I use a steel but now I own several
businesses

So where is your witness that you claim to have sayin

Extortin New York and not payin tax

I lean back playin the role playin too low

But it's the same ol Joe so don't get K.O.

Hey yo I'm gonna fry for what I never did

Chorus 2X

What would you do if the vicious enemy suddenly
started comin

at you armed to the teeth and ready to kill you
