(Gerry Hannah. 2:31)

You call us weirdos, you call us crazy
You say we're evil, you say we're lazy
Say we're just the violent type
Kinda dumb, not too bright

Chorus

We don't care what you say, fuck you!
We don't care what you say, fuck you!
We don't care what you say
We don't care what you say
We don't care what you say
Fuck you! Fuck you! Fuck you! Fuck you!
You tell your friends that we're really sick
Short haired fags on a commie trip
And you should know, cause you're so cool
Number one, nobody's fool

Chorus

So come on man ya better jump right in
this is one game that everybody's in
Don't care where you been, don't care how you look
It's hellfire, man, ya really gotta cook

Chorus
