I don't want to see your face
I don't want to hear your name
I don't want a thing
Just stay away baby
Don't wanna know if you're alright
Or what you're doin with your life
Don't wanna hear you say that you'll stay in touch
maybe

I'll get by just fine
And if you're goin then darlin, goodbye, goodbye

Chorus:
Don't call me in the middle of the night no more
Don't expect me to be there
Don't think that it will be the way it was before
Don't think that I care
I'm not over you yet
And I don't want to be your friend

I'll forget we ever met
I'll forget I ever let
Ever let you into this heart of mine baby
You just gotta let me be
You gotta keep away from me
Cause all I want to be is just free from you baby
Don't come around
Don't say you still care about me
Go now, go now

(chorus)

Baby, it's killing me
I'll get by just fine
So if you're goin then darlin goodbye, goodbye

(chorus)
