D-Cru featuring Craig Smart - I'll Be Waiting

I wanna love you like I never loved you tonight,
If it's alright
I wanna tell you things I've never said in my life
I'm going to hold when the sun refuses to shine.
I wanna show you that I'll always be your side.

Chorus:

When you call my name, and you need me there.
Girl you know I will be waiting for you.
When you close your eyes and you see me there,
Don't you know that i will be waiting

I wanna kiss you like I'll never kiss you again,
If it's ok.
I can't imagine loving any other this way (I can't
imagine baby).

(Chorus2x)

(So what she wanna do,
I wanna wish you.
I know you like my style,
So why don't you stay a while,
And when you want me to,
I'll wait for you.)

(Chorus2x)

I'll feel my name,
If you'll be there.
You'll call my name baby.
