"Love me"

Don't need no diamond rings
Don't need expensive things
That just don't work for me
Don't need your charity
You don't need to rescue me
That just won't comfort me

Is it so hard to see
That all I'm asking is just one simple thing
All I'm asking for
Is nothing more
Than one simple thing

CHORUS:

Love me, oh love me
Hear me when I'm saying
The greatest gift that you could bring is
Love me, to love me
You know I don't need saving
I'm already strong, I can stand on my own
Just love me

Just want you in my life
Want you to spend some time with me
It's so simple, don't you see?

Love unconditional
Is oh so beautiful
It's all we need

Is it so hard to see
That all I'm asking is just one simple thing
All I'm asking for
Is nothing more
Than one simple thing

CHORUS

Nothing you own could ever be enough
And we both know there's a substitute for love
Oh no, I don't need to be unkind

But we're running out of time

All I'm asking for
Is nothing more
Than one simple thing

CHORUS 2x
