"On and on"

I didn't mean it and yet I cheated on you my love
You my love, my heart is beating
Are you leaving me alone, on my own

And then the tears hit my eyes
I miss you right by my side
I'm waiting for you, waiting for you
Forgive me just one of my lies
Release me from one alibi
I gotta have you, I gotta have you

Chorus:
On and on, your voice is calling
On and on inside my mind
Don't you know I can't let go
Never never cause my love goes
On and on
Your voice is calling
On and on inside my mind
Don't you know I can't let go
Never never cause my love goes on

I didn't mean it and yet I cheated on you my love
You my love, my heart is beating
Are you leaving me alone, on my own

And then the tears hit my eyes
I miss you right by my side
I'm waiting for you, waiting for you
Forgive me just one of my lies
Release me from one alibi
I gotta have you, I gotta have you

(chorus)
