we're down at the station royal police
they're bloody fools royal police
with their stupid rules royal police
kick'em out royal police
beat'em about i don't know why i say it today,
if i don't, billy club haze royal police
they're disgusting royal police
but they're only pawns royal police
trained to keep royal police
the public in line royal police
new storm troopers royal police
so shut your mouth royal police
cause the money behind 'em royal police
