Cause you know inside I've been there through thick  
and thin  
What goes around comes back around again  
It's too late to try to make demands

You keep on sending me roses  
But I just won't call  
Why do you keep sending flowers  
When there's no chance at all  
You know you don't deserve a second try  
Roses don't always make it right

You gotta make it right

You thought you had me down  
But I'm too much secure  
You thought you could play around  
What kind of fool do you take me for  
I'm the kind of girl who always leaves you wanting  
more  
Its a shame if that's too much of a joke

You keep on sending me roses  
But I just won't call  
Why do you keep sending flowers  
When there's no chance at all  
You know you don't deserve a second try  
Roses don't always make it right

I used to love those things you do  
I cared only cause they came from the heart  
But then you lied a little, cheated missed around a little  
And now you tell me that you're falling apart

Yeah, you keep on sending me roses  
But I just won't call  
Why do you keep sending flowers  
When there's no chance at all  
You know you don't deserve a second try  
Don't always make it right

You keep on sending me roses  
But I just won't call  
Why do you keep sending flowers  
When there's no chance at all  
You know you don't deserve a second try  
Roses don't always make it right

Roses don't always make it right
