i, i knew a girl and she was a joker
her hair was nicotine-brown
and eyes of a joker

her grass has a pale ginger green
whatever that means

together we
saw they were building a building
alone i see
the building is there

her grass has a pale ginger green
whatever that means

your mind goes (x3)
this has nothing to do with you
it's just the way that i turn to you

your mind goes (x3)
cause this has nothing to do with you
it's just the way that i turn to you

you see i
i knew this girl and she was a joker
and if she was so big
i guess i would smoke her

her grass has a pale ginger green
she knows what it means

your mind goes (x3)
well this has nothing to do with you
it's just the way that i turn to you

your mind goes (x3)
and this has nothing to do with you

i'm calling it off |
i'm taking it low |
i'm staying ahead of our soul |(x4)

your mind goes (x3)

crawl so damn low

i'm calling it off - Your mind goes

i'm taking it low - Your mind goes

i'm staying ahead of our soul - Your mind goes
