"Tune into me"

I'm in love with the way you speak
Hot words doin' it for me
Somethin' bout'cha really makes me weak
I'm in love with the way you love
Ain't never seem to get enough
An addiction I could never stop

But you gotta understand
It takes more to be my man
I want you to feel me
Tryin' to get to you somehow
And I've waited until now
So I'm sayin' it out loud

CHORUS:
Oh you gotta listen
Cause you're missin'
All that I'm givin'
So tune into me
Gotta go deeper
To be a reader
Check out my signals
And tune into me

I'm in love with the way you smile
It's a light comin' from your eyes
Like a switch turnin' on my vibe
I'm diggin' the way we dance
Even love it when we're holding hands
No-one else could ever stand a chance

But you gotta understand
It takes more to be my man
I want you to feel me

Tryin' to get to you somehow
And I've waited until now
So I'm sayin' it out loud

CHORUS

I need more than love and affection
It's gotta be real
Gotta have feel
That's all I'm asking for

CHORUS 2x
