When everything you have is lost and gone  
And every fear has fallen down  
When everything you thought was right is wrong  
I'll remain the same

Don't turn away  
Don't hide your pain  
The hurt in you is killing me

CHORUS:

Baby, we're unbreakable, unstoppable  
Nothing can take us down  
Babe, we're unconditional, inseparable  
It's too late to turn around  
And baby you can count on me, eternally  
I'm as solid as a stone  
When everything is gone

When the world is crushing down on you  
Meet me in the silence, I'll see you through  
No need to feel alone, you won't get lost  
Cause I'll be there beside you  
No matter what the cost

I promise you  
You have my word  
We're in this together, for as far as I'm concerned

CHORUS 2x
