Managers and engineers build machines
To steal your dreams
Take a taste of human waste
Farting, belching in your face
Take a taste
Take a taste
Take a taste
Of human waste, farting ,belching in your face

Managers and engineers build machines

To steal your dreams
Take a taste of human waste
Farting, belching in your face
Human Waste
Human Waste
Human Waste
Take a taste, farting, belching in your face
Take a taste of farting, belching human waste
In your face
