Kill the author  
Of the best seller  
Place a bounty  
Upon his head  
Kill writer  
Of opposition  
Tell the squad  
I want that man dead

I want him dead (2)

Kill free speech  
As an example  
Hang the corpse  
For all to see  
Kill all hope  
Of restitution  
And all  
Who dare oppose me

Kill the words (2)

Infidels, pagans and traitors  
Allah damns you for your blasphemy  
Your Satanic Verses  
Have earned you a death sentence

I am sworn to kill all  
Who may disagree

All of you heathens  
And unbelievers  
I won't even give you  
A chance to fight  
I've got my men out there  
Waiting and stationed  
Ready to strike  
When the time is right

Burn the stores  
That serve as outlets  
They are all

My enemy

Kill all means  
Of distribution  
That make possible  
All their heresy

Kill the words (2)
