Claiming you a murderer and spelt it wrong

You but the "E" before the "D" because that's all you on

You on Pac's dick you a replica guy if he were still alive you would never get by

All you do is cry bitch keep it real life is more than imitating niggas and eating pills

And what kind of mothafucker ruins 3 deals that another nigga got you they didn't see skills

And I ain't playing your a brother getting cheated

And Ja Rule be praying on his cover cause he need it

It's just the real niggas is not buying that shit you put out

Obie:

So Murda Inc do your thing motherfuckers

You unleashed on a team who expects nothing less then RnB coming from that regime

Regime is a little extreme neck to neck with soldiers motherfucking marines

Ja sold his soul to sing we have witnessed teen on the TV screen chase the dream

Now that you embrace the green don't fuck with the
triple beams
Yousa muther fucking actor slash Pac impersonating

Slash Billy Holiday how it happen?
Artists with repituaries saw him in action, Pac's
assasination
Def jam grabbed him, told him reinact him you go
platinum
They seen it for sure I know that Afeni Shakur don't
enjoy Jeffrey Atkins
Reinacting her boy saw him click clacking his toy
Match and destroy shady slash aftermath in detroit
motherfucker
Eminem:
Doe Rae Me Fa So La Dee Da
Don't play me cause your washed up, lost your spot
Mama say mama sa mo ma ku sa

You niggas can scream, holla and curse and go ahead
and respond
Pull that pen and pad up out of your purse
Proof:
Slim set an impulse to get at the wangstas
He told me to let loose and spit at the ganstas
What up gotti were in this little war you pushed on
Put your ear to the drama for stucky and bush stones
What's wrong? didn't think were strong with real niggas
Roll like a boss in the streets they still feel us

This real witness yall ain't caught the concept
You're talking non sense to walking bomb threats
Contacts were blown by Benzetta in the Source
Threatning at the boss you're gonna see me on your
porch
Now Irv got the nerse to try serve on us
But Detroit niggas curve and they stirs to bust
Kon Artis:
Do I gotta get my nigga bugz, punks like you get beat
up
Stomped unconscience and smacked with the heater
This rap cookie monster gets jabbed in the tonsils
With dicks so much that he should be fixed with a
vagina
Who's behind ya? Caddillac, Pac or that transvestite
that dress like a Lil Kim, Fox
Your just like a little wind box when I press tight on the
trigger of this glock
That's right on the little shit you got left to help you eat
You not Pac's songs without laws will help you sleep
You got shot in your video trying to mock pac your
