This is how it happens to you
That's how people get fucked up
This is how it happens to you
That's how people get fucked up

[Kuniva]

If you a loud mouth
Trying to wild out
And we see just how you laying
And we peep your style out
(You a punk)
When you chilling out in front of your truck
And get stuck

That's how niggas get fucked up

[Proof]

No love at home with your infolks
And the world just keeps fucking with your mental
And all these kids making fun of your trench coat

That's how students get shot up

[Kon Artis]

Hating on us but you come to our show (Fuck them niggas)
I crowd surf and you let me go
Oh no
Whip your ass when I get off the floor
Just so you know though

That's how haters get fucked up

[Swift]

When the police pull you over and shit and find ganja
Now every month they checking on your piss
They getting mad cuz you ain't come back since
And now they sweating you

That's how P.O.'s get fucked up

[Kuniva]

When your mans hook you up with a bitch
Over the phone
And when you see her
She ugly as shit (God damn)
Now at the end of the date she want a kiss
And some dick

That's how blind dates get fucked up

[Proof]

Say we got a real crew with a lot of skill
And only one nigga in our crew make the dollar bills
Y'all fools just mad cuz y'all ain't got a deal

Local rappers talk too much

[Kon Artis]

You don't like this pain
But you roll with punks
Manage to trip the alarm
And you all get stumped
Cops got AK's
Y'all only got pumps
That shit's just dumb

That's how Cruzzie?? got locked up

[Swift]

When your ass wanna walk in the club
But 'stead of telling you to wait
The nigga wanna push and shove (move)
They get trampled from the niggas you brought
So move over

That's how bouncers get fucked up

[Chorus x2]

[Kuniva]

When you get your guns outta the stash

And gather all your homies up
To go and shoot up a pad
Soon as you finished y'all run out of gas
You better haul ass

That's how drive-bys get fucked up

[Proof]

Mixing weed with the brew
Extacy and Kalu, gasoline fumes

Nitrous balloons
Acid tablets and magic mushrooms

That's how D12 get fucked up

[Kon Artis]

I like your records
But my album aint dropped
Dr. Dre's my favorite
Bitch get off his jock
Got a backstage pass and I need to get off
Wanna meet da-da-da Doc?

That's how groupies get tossed up

[Bizarre]

Drop outta school
Take drugs and molest sluts
Got your girlfriend sucking on my left nut
Your parents don't like me, but guess what (what)

Cuz Bizarre don't give a fuck

[Kuniva]

Chokin' your wife all in front of your peeps
She toss a brick through the window of your Jeep
They back together by the end of the week
That's so sweet

Slim and Kim argue too much

[Proof]

Invite a ho to your house
While your bitch is out
Now you got the dick
All up in her fuckin mouth
Pull it out
And then you bust off on her favorite blouse

That's how Clinton got caught? up

[Kon Artis]

Steal cars, wreck bars, got fucked up beyond
Recognition, walk in 50? clubs like we stars
Our mission every day is just to smoke bong and fuck
bitches

That's how Runyan Ave. is cut

[Swift]

When your life wasn't raised up right

See your mother coming home
With different niggas every night
And then you run in to the one you don't like
So get the fuck off *[shooting]*

That's how step-dads get fucked up

This is how it happens to you
That's how people get fucked up
This is how it happens to you
That's how people get fucked up

This is how it happens to you
That's how people get fucked up
This is how it happens to you
That's how people get fucked up
