It's shit like this I kick to these rich white kids  
Who just might see how fucked up this sick life is  
Oops, I did it again, didn't I? My shit's harder  
To figure out than what Britney's tit's size is

Ooh, I probably pissed you off again, didn't I, bitch?  
So what Christina Aguilera kiss my grits  
You know how many shit's I get if I wish I did  
So I can quit givin' these twisted little kids ideas

This just in, Britney just dissed Justin  
She just fucked Ben, got tit fucked and dick sucked  
him  
If Afflec can get his ass licked, how I can't shit  
Goddamn bitch, I'm rich I can't understand this

Are those pictures they made of us together on the  
Internet  
As close as I'm ever gonna get to hittin' it from the back  
And shit when it comes to that I hit harder from the  
back  
Than Everlast when he's pluggin' Lethal in his fuckin'  
ass

Just give me one more chance, Britney, hit me one  
more time  
Let me know what's on your mind, Whitney give me one  
more line  
To sniff, you fuckers know what time it is  
Fuck your jewelery my record's almost dyin', beetch

What's goin' on in the world today?  
People fightin', feudin', lootin', it's okay  
Let it go, let it flow, let the good times roll  
Tell 'em Dre, "It ain't nuttin' but music"

What's goin' on in the world today?

Eminem doesn't like N'Sync, well I do

So fuck him and the Backstreet Boys too  
Whatever happened to the cast of Different Strokes?  
Mary's broke, Ty's snortin' coke and then an overdose

I got two little boys wit me  
Michael Jackson sent two helicopters to get me  
I'm up early wit my hair curly  
Me and Mr. Furly, fuckin' Laverne and Shirley

A lotta rappers are live in in la, la, land  
That's why I let my dogs out on the Baha men  
As bad as a life I had, I'm not mad  
I don't need to be a jackass to beat up my dad

My whole family's country, my grandmother's old  
fashioned  
And she keeps askin' me why I rap wit a honky?  
But granny, I'm a flunky I could be a junky  
I could be hangin' with the hoochies out at the club  
scene

To all the independent women in the house  
Hey  
Show us your tits and shut your motherfuckin' mouth  
What

Robert Downey, Bobby Brownie, Whitney Houston  
The shit's confusin'  
Jesse Jackson, reverend scandal  
Got George Michael's, Tevin Campbell's  
Pee Wee Herman's, peep show places  
Public restrooms, peep those cases

What's goin' on in the world today?  
People fightin', feudin', lootin', it's okay  
Let it go, let it flow, let the good times roll  
Tell 'em Dre, "It ain't nuttin' but music"

Huh, your mom and dad probably mad at us, for what?  
We done turned their kids into little body snatchers  
Ain't like where I'm from, we don't bite our tongue  
Are you sure you want niggas 21 to carry guns

It's sad but I'm glad that I'm made to rhyme  
Where you work you ain't gettin' paid for that overtime  
It's only music, media know it but they blind

I ain't in your light, so stay they hell up outta mine

Y'all the reason why Princess Diana ended up dyin'  
If you people get offended I don't care, stop cryin'  
Tryin' to get us to leave 'cuz what we say just ain't  
clean, uh, uh  
But holdin' back on what I say just ain't me

Now what's these parents all mad for? Your music is  
bad for 'um  
For teenage kids that drink more than Ted Danson in  
Cheers  
Carson drink beers, we all fart and piss and cuss out  
our bitch  
Shut up

Broke or rich, I still do that same old shit  
I don't jump in front of a camera and change no shit  
So when they ask me about my sarcasticness  
I just slap 'em, turn around and ask 'em this

What's goin' on in the world today?  
People fightin', feudin', lootin', it's okay  
Let it go, let it flow, let the good times roll  
Tell 'em Dre, "It ain't nuttin' but music"
