Rip Big P Forever

Rip JD

The Dozens

I thought we'd see forever you and I (Oh I thought we'd see forever)

You was my home boy I was your guy (You were my best friend)

Now when I rhyme I look at the sky

Mrs. Pitts I'm sorry (Ooh I'm so sorry, ooh I'm so sorry)

See he was an inspiration to me (You were my only inspiration)

You were supposed to make it with me (You were supposed to be there)

Lord I don't know what to say but plead

Mrs. Pitts I'm sorry

Karnail Pitts will never never die

As long as I'm breathing and my groups still alive

And I can't lie I miss my nigga

Every time I see bell air and Detroit River

Mrs. Pitts you done lost two sons

Proof dying that's like the 3rd one

And I wanna thank you for showing up to my court cases

Standing in front of the judge three years I'm facing

Told me to be proud and dry my tears

Be a grown man and show no fear

We all love driving reminiscing about how me you and proof used to go fishing

I wanna give you a call but I don't know what to say

That's why I get on my knees every night and I start to pray

Drive down six mile I circle your block

Park in front of your house but I'm scared to knock

I miss you (Carolynn)

I thought we'd see forever you and I (Oh I thought we'd see forever)

You was my home boy I was your guy (You were my best friend)

Now when I rhyme I look at the sky
Mrs. Pitts I'm sorry (Ooh I'm so sorry, ooh I'm so sorry)
See he was an inspiration to me (You were my only
inspiration)
You were supposed to make it with me (You were
supposed to be there)
Lord I don't know what to say but plead
Mrs. Pitts I'm sorry

Now every Saturday after shop
You gave me props I gave you props too
Respected each other and as time grew
He always took the time to ride thru
And ask me if I had a verse ready to rock at St.
Andrews
And as for you I'm sorry we never took the time to see
you
When we got signed we came up to your job
Now that was a long time ago
I thought I'd let you know that you was on my mind
Thru this rhyme I apologize

As time goes on and the pain starts to easy up
Just know your son's memory will never leave us
And you can call on us if you ever need us
Cause life's road is full of hard knocks and speed
bumps
You so strong and I wish you the best
I wish you more stress so you can pass life's test
If you feel like you drowning we'll be your life vest
I had to get it off of my chest
Mrs. Pitts I'm sorry

I thought we'd see forever you and I (Oh I thought we'd
see forever)
You was my home boy I was your guy (You were my
best friend)
Now when I rhyme I look at the sky
Mrs. Pitts I'm sorry (Ooh I'm so sorry, ooh I'm so sorry)
See he was an inspiration to me (You were my only
inspiration)
You were supposed to make it with me (You were
supposed to be there)
Lord I don't know what to say but plead
Mrs. Pitts I'm sorry

Oh I'm so sorry Oh I'm so sorry

We miss you
Carolynn Pitts you lost three sons
But you got four more still alive and breathin

And there for you
What up Moe
