[Chorus- Eminem]

One shot two shot three shots four shots
All I hear is gunshots this is where the fun stops
Bodies drop hit the floor music's off
Parties stop, everybody hit the door somebody's lickin
shots off

[Verse 1- Bizarre]

You bitches is gone I'm dropped in the club
And I'm tryna run and get my mothafuckin gun
(***** what about your wife)
***** fuck my wife I'm tryna run and save my
mothafuckin life
Oh shit the shoot is comin
Bitches, hoes *****s is runnin
People shot all over the floor
And I'm tryna make it to the st.andrews door
That's the sound of the glock
Even DJ house fucked around and got shot
I done messed around and forgot my tec
I don't see no body but Fab Five and Hex

[Verse 2- Kuniva]

(Kuniva you aight)
These *****s is trippin
(Where's Bizarre at?)
I'm tryna slip through the exit and get to where my car
is at
Bitches screamin everywhere and *****s is wilin
Two minutes ago we was all jokin and smilin
This chick is clingin onto me sobbin and sighin
Sayin she didn't mean to diss me earlier and she cryin
But it's real and cats is gettin killed
So I hugged her and used her body as a human shield
And she got hit now she yellin
(Don't leave me!)
I told her I'd be right back and the dumb bitch believed

me
I squeezed through the back door and made my
escape
I ran and got my 38 I hope it's not to late

[Chorus- Eminem]

One shot two shot three shots four shots
All I hear is gunshots this is where the fun stops
Bodies drop hit the floor music's off
Parties stop, everybody hit the door somebody's lickin
shots off

[Verse 3- Swifty]

(***** I been tryna call you all day mothafucka where
you at?)
I'm on seven mile what the fuck was that
Damn somebody hit me from the back
(With they car?)
With a gat ***** and my tire is flat
And I just hit a pole, them *****s some hoes
(Is you hit?)
I know but I can tell you what they drove
It was a black Mitzubeashe wit
(Shit that's the clique we beefin wit I swear)
Man and I was on my way there
Believe me I'm leavin a carcass today
I'ma park my car and walk the rest of the way
I'm in the mood to strut, my AK ain't even tuck
I'ma meet you at the club we gon' fuck these hoes up

[Chorus- Eminem]

One shot two shot three shots four shots
All I hear is gunshots this is where the fun stops
Bodies drop hit the floor music's off
Parties stop, everybody hit the door somebody's lickin
shots off

[Verse 4- Eminem]

I never seen no shit like this is my life before
People will still camp out from the night before
Sleepin outside the door waitin in line
Still tryna get inside the club to see D12 perform
The fire marshalls no, the van houston's small
People are wall to wall three thousand and some odd
vans
And some come walk from out the parkin lot
Get into an argument over a parkin spot
He's about to pull his gun out and let's a few of 'em off
Missed who he's aimin for six feet away's the door
In St. Andrew's hall not a stray slidin all over the place
Sprays one bitch in the face another one of 'em came

through the wall
Before anyone could even hear the first shot go off
I'm posted up by the bar havin a Mozeltoff
Bullet wizzed right by my ear damn near shot it off
Thank god I'm alive I gotta find Denaun
And where the fuck is Von he usually tucks one on him
Wait a minute I think I just saw Bizarre
Nah I guess not, what the fuck oh my god it was
I never saw him run so fast in my life
Look at him haulin ass I think he left his wife
There she is on the ground bein trampled
I go to grab her up by the damn hand and I can't pull
her
God damn there just went another damn bullet I'm hit
My vest is barely able to handle it, it's too thin
If I get hit again I can't do it, I scoop deep
Follow Bizarre's path and ran through it
And made it to the front door and collapsed on the
steps
Looked up and I seen Swift shootin it out
But I can't see who he's shootin it out with
But Denaun's right behind him squeezin his four fifth

[Chorus- Eminem]

One shot two shot three shots four shots
All I hear is gunshots this is where the fun stops
Bodies drop hit the floor music's off
Parties stop, everybody hit the door somebody's lickin
shots off

[Verse 5- Kon Artis]

It's Friday night came to this bitch right
Big ass to my left and Desert Eagle to my right
I ain't come in this bitch to party I came in this bitch to
fight
Although I can't stay here to fight cuz I'm poppin *****s
tonight
That's right bitches I'm drunk with revenge
Shot a bouncer in the neck for tryna check when I get in
Swift told me to meet him here so it's clear that this
fucka
Shoot out the back of his truck goes up in this
mothafucka
So one shot for the money two's to stop the show
Third's for the bartender there's plenty of shots to go
(I just wanna know who's drivin a black mitzubeashes)
He tried to run so Proof shot him in the knee wit a three
piece

[Chorus- Eminem]

One shot two shot three shots four shots

All I hear is gunshots this is where the fun stops
Bodies drop hit the floor music's off
Parties stop, everybody hit the door somebody's lickin
shots off
