It's been awhile since I've did some good drugs
It's been awhile since I acted like a mthug
And raped every dirty slut
In this neighbor hood
So.....
Pass me some of dat good stuff
Pass me dat bong
Pass me some of that good stuff
Pass me some coke
Don't take for no joke
Unless you want to choke
On cock
Beitch
Please gimme some old fashioned weed
Pass the acid
Crack
Smack
Shrooms
Coke
Pills
All dat shit got me actin ill
If you don't pass the bong yous gonna die
So.....
Pass the good stuff
Pass the bong
And pass thatphat ass bitch in the thong

Pass da fuckn bong bitch!!!!!!
