[Sara]

Somethin happens when you touch me  
I get open, and my legs starts quivering  
This sensation, emotions take control of me  
It's a temptation, I don't know what's come over me

[Babs]

Yeah baby, tonights the night  
Ima ride that thing like a motor bike  
Grab my waist and hold it tight, im not frontin  
You think I bought a box of Lifestyle for nothin  
Please I got blunts you supply the weed  
Im the best so baby keep yo eyes on me  
Its about time I get mine nigga im ready  
And the sex ain't the bomb if the girl ain't sweaty.

[Chopper]

Listen ma, we been chillin out for a minute  
And right now im in the mood to straight hit it  
We know enough about each other, I been patient  
Look, but every nigga got his limits  
Im tired of waitin, I feel like tonight is the night  
To get Bucky Ball naked and make love all night  
You aint gotta worry bout me bustin in quick seconds  
I can handle mine plus I'm young and energetic, is you  
ready

[Chorus]

[Sara] Toniight

[Babs] Yeah daddy I know you want it cuz it's extra  
tight

[Ness] Yeah mommy im gon make sure it's extra right

And your alright  
The reason im starin im comparin  
Some things we may have in common  
And tell ya comin on our plane to Bahamas  
I love how you abuse the charm  
You got a Bad Boys it's time to leave them fools alone  
Any place that you stay I can move your home  
Im talkin shoppin sprees for weeks in Rome  
Hit the airport 4 in the mornin we gone  
Off to Paris to meet Sean  
I can't dissapoint Mr.Combs  
But first I need the number to your phone

[Chorus]

[Sara]  
Somethin happens when you touch me  
I get open and my legs starts quivering  
This sensation, emotions take control of me  
Its a temptation, I don't know what's come over me

[Ness]  
You aint gotta act boogie or be all uptight  
Tonights the night E.Ness will put up a fight  
Best sex you ever had in your life  
If it turn out right fuck around gettin married tonight  
Rock that hand off a one night stand  
Hop in the van goin honeymoon in Amsterdam  
Tomorrow mornin we gon drive back home  
And smoke a lot so we can be in the twilight zone

[Dylan]  
I wanna have you in the kitchen, put up on the dresser  
Throw you in the closet then undress ya  
Treat ya like a one night stand give ya the pressure  
Make you hit high notes like R&B singers will ya

[Chorus x2]

Toniiiight, uh hh HEYY, Toniiiight, ohhh uh, yeahhh
