And I'll drown...

There are things that make me smile,
And one of them is you.
It's like you came and cast a spell on me.

I can't think of anyone else,
I can't even think of myself.
The one wish I had I used on you...

I'm just thinking so hard,
I wished for you when I wished on that star.
I wanna die in your arms,
'Cause you're my falling star

There are times I have to smile,
Because I think of you.
It's like you came and stole my heart.

I can't think of anyone else,
I can't even think of myself.
The one wish I had I used on you...
I'm just thinking so hard,
I wished for you when I wished on that star.
I wanna die in your arms,
'Cause you're my falling star

And I'll drown in your eyes,
And I'll choke from your kiss.
And I'll drown in your eyes,
And I'll choke from your kiss.
And I'll drown in your eyes,
And I'll choke from your kiss.
And I'll drown in your eyes,
'Cause if I'm gonna die, I wanna die like this.....
