I'm homesick
This body's a tent,
Heavens where home is
I guess it's safe to say that God's people
Are homeless

And just as sure as a fugitive runs our moneys are tied
up in mutual funds
Cats be like u got unusal ones
That's because the riches we got are stored up for
after the funeral son
Numero one Christ had to rip the veil
Cause there was bad blood between us like sickle cell
aneamia
The media that keep feedin us lies and immediat-elty
we eat it up like medium fries whoa
The heartbeat in the side longs for the day
When Christ will come plus bring me to his side and
clothe me in white
We'll be jus like him like Kobe & Mike
Me and my homies, my wife
Me and my homies like R-swift J-silas c em
Corey Precise
We goin to glory right!
We headed to the new heaven the new earth
Baby I got proof
It's Jesus Christ Resurrection and I'm not duped
This is objectivity it's not my truth
We goin to glory y'all how bout you?
Listen...
New Heaven New Earth
Baby I got proof
It's Jesus Christ Resurrection and I'm not duped
This is objectivity it's not my truth
We goin to glory y'all how bout you?

Listen...

My poppa ain't a rollin stone
And when the angels rolled the stone away you better
know the roman soldiers were blown away

We got a stoaway
Nah Jesus Christ, died, resurrected folded his clothes
then stole away
Now that's incredible
He showed himself da credible witnesses that
witnessed his death but
Didn't expect Him to come out of the grave
Just as the scriptures had said
And he thought the ladies were sick in the head
And when they came back reporting what they had
seen
with their eyes the disciples were sceptical so they
sent Peter & John... Yo
To verify what they told 'em
Jesus is risen
Meanwhile the chief priests were bribin the soldiers
Obviously with a valuable token they told em to keep
quiet and just to say his body was stolen yo
By the disciples at night while the soldiers were sleepin
but the story was weak and He showed himself
breathin
livin and movin made appearances showed em his feet
and his nail scarred hands
Reiterated and told em his secret
He said I am the fulfillment of Moses's teachings
cleoprates
grievings turn into joy cause he was hopin to see his
redeemer even josephus wrote of this Jesus the
historical Christ
Even explorers are like there's irrefutable evidence in
support of His life
Plus his dying and I am not lying
Tell a friend that's agnostic God has got no skeletons
in his closet NOPE
They can't find his bones
Nowhere to be found not even his teeth
Nowhere in the ground
WHY?

He's home wearing a crown
The disciples washed em a sin
Therefore we Holy Spirit endowed
With the power to be witnesses how many listeners
know
that when you die you'll rise and be with rest of us
We not cocky, we confident in the God who rescued us
plus
Resurrected his son from out of the sepulchre have you
accepted these facts
And if u havent let's chat
After the show or email me and I'll be happy to rap

About these matters concerning our faith
Jesus Christ Resurrection has determined our fate!
