I am a survivor  
The devil is aliar  
Living fo the king  
And my soul is on fire  
So if you feel me put your hands up  
Put your hands up  
I am a survivor  
The devil os aliar  
And living for the king  
Ma soul is on fire  
So if you feel me put your hands up  
Put your hands up  
What are you waiting for  
I am pretty heavy .-is breaking  
I have been to Hades and back .  
Cause they survive .. they learn to trust in evil  
When there is a change of plans  
.. shakes the land .. you could ask Mandela  
. he claps , let me see your hands if you feel this

I am a survivor  
Looking for the king  
And my soul is on fire  
So if you feel me put your hands up  
Put your hands up  
I am a survivor care for some ,  
Can't get enough my soul is on fire  
So if you feel me put your hands up  
Put your hands up  
I feel .. I fill these pages  
Christian hope cause they  
But I need to believe ,. Healing angel  
She persisted in praying and love ..  
Bible teaches the only God provide us is .. weakness  
When marriage is breaking up .. put your hope in God

I am a survivor  
Looking for the king  
And my soul is on fire  
So if you feel me put your hands up  
Put your hands up

I am a survivor care for some ,  
Can't get enough my soul is on fire  
So if you feel me put your hands up  
Put your hands up
