Divine music 1,2 3 go!

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey excuse I'm so sorry  
But can I talk to you  
About my friend named Jesus  
And what He has in store

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey hey hey can I talk to you  
About my friend named Jesus  
I'm sorry, sorry to disturb you

1,2,3 go! Wanna see em' free souls  
That's why we go London Heathrow  
West Coast East Coast  
Every time we speak those  
Words from the scripture  
That's another seed sown  
(Hey hey)  
Yeah you are not a freak show  
Cuz you wanna see souls free, so be bold  
You got a treasure chest full of the Kings gold  
So keep on talking keep on talking to the people

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey excuse I'm so sorry  
But can I talk to you  
About my friend named Jesus  
And what He has in store

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey hey hey hey can I talk to you  
About my friend named Jesus  
I'm sorry, sorry to disturb you

1,2,3 go! Wanna see em' free souls

That's why we go London Heathrow  
West Coast East Coast  
Hit the city streets bro  
Claim God openly cuz everybody needs hope  
(Hey hey)  
Gotta hit our knees though  
Can't lean on a swag or a mink floor  
We wanna see souls surrounding the Kings throne  
So we keep the talking keep the talking to the people

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey excuse I'm so sorry  
But can I talk to you  
About my friend named Jesus  
And what He has in store

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey hey hey hey can I talk to you  
About my friend named Jesus  
I'm sorry, sorry to disturb you

Listen we are not bringing Church  
Man we need to bring in Church  
Laborers (?) like they have work  
Yessir and they serve like caterers  
Make a big deal about Christ through (?)  
Fold up your sleeves, hop in the plane, get flown  
overseas  
Hit to see these streets, that's a mission field  
'Cause everybody thinks that you're a Christian still  
We gotta help them, we gotta school them  
With time well-spent in the Blue Planet  
Introduce some of Christ's (?) and the powerful King  
but  
After we're called friends

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey excuse I'm so sorry  
But can I talk to you  
About my friend named Jesus  
And what He has in store

Hey hey can I talk to you  
About my friend named Jesus  
Hey hey hey hey hey can I talk to you  
About my friend named Jesus  
I'm sorry, sorry to disturb you
