Yeaaaaaaahhhhhhhh!

Tye Tribbet!

Unh!

Truth!

Just Clap your hands!

A Hole in one

1-2-3!

If the bible was re-written and the writers put me in it
I wonder how my life would read?

Would the people that have heard of me read just to
learn of me be turned away by what they see?

Or would they slump in their sofas blown away and
sober

by my life... didn't come to believe

Or would they do a once over read the pages of my
life,

and once it's over, close the book and say that's not
how I want to be!

Be!

And that's a sad commentary when I'm buried under
the public to see

But I pray they remember me for
walking in integrity being what God called me to be.

And if I leave an impression man I hope that I impress
them with a life that was clean and free

And I pray that it's not embarrassing when they read
my narrative once I finally do leave.

Let's Go!

Who Am I?

Am I more like Cain full of hatred to my brother to
slain?

Who Am I?

Or am I more like Jezebel sexual in all my ways?
(Think about it)

Who Am I?

Or am I more like Mary pure and holy 'till I lay in my grave?

Who Am I?

Or am I more like Abel, able to please God with my ways?

(Think about it)

If the bible was re-written and the writers put me in it what would they say about my private life?

Would they say that my commitment to the ministry was

strong but that I never spend time with my wife?

What would they say about my character?

Would they say that I was arrogant, an American full of myself?

How would they write about my parenting?

Would they say while traveling, I put my children up on the shelf?

Would it be positive or negative if everything I ever did was charted down and read by all?

Not only the stuff you could see on the surface but the stuff that was done in the dark?

Well if the boys could talk when the doors was locked would they say that I was off the chain or would it be the complete opposite would they say that my public and private life were all the same?

Let's Go

Who AM I?

Am I more like Cain full of hatred to my brother to slain?

Who Am I?

Or am I more like Jezebel sexual in all my ways?

(Think about it)

Who Am I?

Or am I more like Mary pure and holy 'till I lay in the grave?

Who Am I?

Or am I more like Abel, able to please God with my ways?

(Think about it)

If the bible was re-written and the writers put me in who would they say that I resemble the most?

Would it be Joseph or Sampson both of 'em handsome

only one of 'em was a symbol of hope.

Or would I be listed among the greats mentioned
among
the saints in the hall of fame?

Would I'd have to be stripped of this running the base
of a product or a product of my own mistakes?
Now I know it's not possible but if the book was re-
written
man I wonder how my life would read.

From 2 years old till my funeral would I fail or would
I succeed? Cuz when they write my biography what
would
they recall about the life and times about the man it
means a lot to me!
Cuz in the story I leave 'em I am either God's leader
or a picture of what not to be.
Let's Go!

Who Am I?
Am I more like Cain full of hatred to my brother to
slain?
Who Am I?
Or am I more like Jezebel sexual in all my ways?
(Think about it)
Who Am I?
Or am I more like Mary pure and holy 'till I lay in the
grave?
Who AM I?
Or am I more like Abel, able to please God with my
ways?
(Think about it)
