TrÃ's indiscrÃte  
TrÃ's superflue  
Non malhonnÃte  
Tes fruits mon jus  
Du muss nicht fernsehen  
Mein Ampel ist rot  
Komm in mein Kino  
Come drive my road  
Promis Q du Q promis  
I promised you a part of me  
Abusif non exclusif  
LibertÃ limite maladive  
Why don't you take what you need  
There's a world out there to feed  
Love ain't something to possess  
Promis Q ma seule promesse  
Tout le monde fÃte  
Du jamais vu  
Tous les plombs pÃtent  
Ãmotions nues  
We have but one dream  
To reunite  
Endlose Freundschaft  
Just for tonight  
Promis Q du Q promis  
I promised you a part of me  
Abusif non exclusif  
LibertÃ limite maladive  
Why don't you take what you need  
There's a world out there to feed  
Love ain't something to possess  
Promis Q ma seule promesse  
Plus corps que tÃte  
CrÃations crues  
Tendres tempÃtes  
Amis Ãmus  
Stereo gestern  
War fiel zu cold  
Ganz dolby western  
Fur young und old  
Plus faune que flore  
Trompettes trompeuses

Mannshaft explore  
Army baveuse  
We have but one dream  
To reunite  
Endlose Freundschaft  
Just for tonight
