Hey, little peaceful cowdo you remember how we used  
to sit and pray?

Hoping the sun would stay  
Call up your children and your wife  
Tell them the story of your life  
Say that you're glad to be alive  
But into the ocean you must dive  
So you gotta stay in these fine hotels

Sit on the peaceful couch  
Next to the peaceful sow  
Look at the shiny set  
You're still my favorite pet  
Why don't we throw away our bells  
Into our deepest wishing wells?  
Out in the hall the kitchen smells  
I'm gonna stay in these fine hotels

Hey, little peaceful show  
Tell me what I don't know  
I'm old and dutiful  
You're bold and beautiful  
Service my room and I'll dust your broom  
Condition my air and I won't swear  
Offering all for what I care  
Yeah, I'm gonna stay in these fine hotels

I'm gonna stay in these fine hotels  
I'm gonna stay in these fine hotels  
These fine hotels
