

Better Than A Thousand "Demand Independence"

Slave to habit, a bottle, a pill-what will you do?
DEMAND INDEPENDENCE
You're losing your mind and you're losing your will
Is that really you?
"Hey I'm just growing up, I'm just having fun"
You're just on the run
You reach for excuses, but there are none
Should've never begun
Demand independence
NO WAY-won't walk into that maze
NO WAY-watch the fire blaze
NO WAY-it's just so damn cliched
So what will we do?

Slave to your dick, out on the chase-what can you do?
Demand independence!
Sad slave to your body, a total disgrace
But it's not really you
"Don't want no restrictions, I want to be free"
But how could it be?
When all create is more misery
It's so plain to see

NO WAY-won't walk into that maze
NO WAY-watch the fire blaze
NO WAY-it's just so damn cliched
So what will we do?

Yeah, what are going to do?
Demand independence
We demand!
Been there, done that-what's the appeal?
We gain our freewill when we gain discipline
And learn to be real
"I was into it, yeah-but it's not for me"
How will you succeed?
You reach for excuses, where does it lead?
Let's become fucking free!

NO WAY-won't walk into that maze
NO WAY-watch the fire blaze
NO WAY-it's just so damn cliched

So what will we do?
