I sit and watch your flowers wilting in the kitchen  
I felt like I was one of them gasping for air.  
I go from room to room hoping to find your  
I play my music louder than you'd like me to

Why can't I be your lover?  
Can there be another?  
And when I feel without I want to get you in.  
Can't I be your lover?  
At five o'clock you come shuffling in.  
And when I lock you out I want to get you,  
Get you, get you in.

I understand that you are going through a hard time  
But what you need to recognize I'm in one too  
You say that maybe we should take some time apart  
But you go your way, I'll get by, and you'll go get high  
You just see if I mind.

Why can't I be your lover?  
Can there be another?  
And when I feel without I want to get you in.  
Why can't I be your lover?  
At five o'clock you come shuffling in.  
And when I lock you out I want to get you,  
Let you, get you in.

Well I could be wrong I don't even know myself  
And I must be strong when you're gone so long  
I don't need to know reasons why.

What I wouldn't do for you.

Why can't I be your lover?  
Can there be another?  
And when I feel without I want to get you in.  
Why can't I be your lover?  
At five o'clock you come shuffling in.  
And when I lock you out I want to get you,  
Let you, get you in.  
I want to get you in.
