How can you be so warm?  
How can you know what I feel?  
Well, it's the way you move your hands,  
and it's the way you understand.  
CHORUS  
And that's the reason that I'm asking.  
That's the reason that I want to know  
And that's the reason that I'm asking  
That's the reason that I'm . . .  
How can you throw away everything you live for?  
Well it's the way we shake and sway.  
Oh, and it's the passion that you play.  
CHORUS  
BRIDGE  
Too many lost.  
Links in a chain passed down through the years,  
But ending here if we just face the pain and the fear.  
Who did you love before?  
Who did they love before you?  
But it's the way you move your hands.  
And it's the way you understand.  
CHORUS
