

Better Than A Thousand

"Overcome"

North light comes
Uninvited
Through the window
To where you lie

Disjointed
Just in silence
Quite at a loss

I feel strange
I feel changed
I feel strange
Overcome
Overcome by you

I fell in too deep
But I learned to swim
In an undertow
Since I'm giving in
I feel strange
I feel changed
I feel strange
Overcome
Overcome

I'm a little bit wiser
I'm a little bit sadder
I'm a little bit less you might have guessed

But if you could be ?
Tell me now darlin' I think I'm fading
I swear I'd never trade your life
For a lie

I feel strange
I feel changed
I feel strange
Overcome
Overcome by you

Overcome...
