It's gonna last a long time
C.O.S.T.A
Gonna be having a good time
C.O.S.T.A
let's have a good time
Gonna be having some fun... to last a lifetime
C.O.S.T.A.
bringing on the good times our way
Hanging out in the sun... Tropic emotions
C.O.S.T.A
bringing on the good times our way
Making your head spin
Summer has just begun
It's gonna be a special summer
Friends we'll make along the way
Friends we'll make along the way
I'm moving up.....
to the place I know
Get away
Can't get enough.....
It's gonna be a perfect holiday
Gonna be having some fun... to last a lifetime
Maybe you'll fall in love
Hanging out in the sun... Tropic emotions
Taking you over
Making your head spin
Summer has just begun
Now I'm gonna keep my promise

I will make you feel the heat
I will make you feel the heat
I'm moving up.....
to the place I know
Get away
Can't get enough.....
It's gonna be a perfect holiday
Gonna be having some fun... to last a lifetime
Maybe you'll fall in love
Hanging out in the sun... Tropic emotions
Taking you over
Making your head spin
Summer has just begun

C.O.S.T.A
It's gonna be a perfect holiday
C.O.S.T.A
bringing on the good times all the way
C.O.S.T.A
It's gonna be a perfect holiday
C.O.S.T.A
bringing on the good times all the way
Come on everybody
Gonna be having some fun... to last a lifetime
Maybe you'll fall in love
Hanging out in the sun... Tropic emotions
Taking you over
Making your head spin
Summer has just begun
