Hey, mama  
Hey, yeah, yeah

Hey mama, don't look now  
I found my place so you could be proud  
There's a place for me in the  
All-American Suicide

A chance to be all I can be  
A chance to catch a bullet between my teeth  
Theres a place for me in the  
All-American Suicide

And there's no time like the future  
When the present seems past tense  
I got a .38 Special and an MBA  
I'll use it in my self-defense  
Yeah, yeah

Yeah, there's a place for me in the  
All-American Suicide

(solo)

Oh, there's a place for me in the  
All-American Suicide

And there's no time like the future  
When the present seems past tense  
I got a .38 Special and an MBA  
I'll use it in my self-defense, oh

Ooh yeah

I got a pair of pants that fit me well  
With a Rolling Stones patch that means "go to hell"

There's a place for me in the  
All-American Suicide  
There's a place for me in the  
All-American Suicide

## All-American Suicide

All-American Suicide  
(There's a place for me in the All-American)  
Yeah, there's a place for me in the  
(There's a place for me)  
All-American, there's a place for me in  
(There's a place for All-American)  
All-American

There's a place for me  
There's a place for me  
Oh well, there's a place for me  
Oh, there's a place for me  
Oh, oh no

(solo)

Na, na, na, na, na, na, no  
Na, na, na, na, na, na, no  
Na, na, na, na, na, na, no  
Na, na, na, na, na, na, no  
Na, na, na, na, na, no, no  
Na, na, na, na, na, no, no  
Na, na, na, na, na, no, no  
Na, na, na, na, na, no, no
