Any day the wind blows
You can find her runnin' out on me
Any day the wind blows
You might find her kissing someone
Who is a loser, who is a bruiser
Who will abuse her 'til she's had her fill
Who is a user
She likes a cruiser
When she gets an extra afternoon to kill
Any day the wind blows
Any day the wind blows
You can find her runnin' out on me
Any day the wind blows
You might see her leave the party
With Ray, who's a junker
Craig is a punker
Sean thinks he's Dino in his thunderbird
Dave is the neighbor
Who thinks he can save her
Bores her to death with the spoken word
Any day the wind blows
Any day the wind blows
Got me a fine day
Got me a ride
Got me a fine day
Got me a ride
(what?)
Any day the wind blows
You can find her leavin' like a breeze
Any day the wind blows
You can find her counting all of these
One, it's a Friday
Two, there's a highway
Three, just a little change of scenery
Four, it's her birthday
Five, it's a Thursday
Sex, if I'm lucky and she's lost her keys
Any day the wind blows
Any day the wind blows
Got me a fine day
Got me a ride

Got me a fine day
Got me a ride
Got me a fine day
Got me a ride
Got me a fine day
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the wind blows
Any day the wind blows, any day the
