Aye, come here  
(All I want for Christmas)

Let me talk to you for a minute  
Heh, it's Princeton  
RAY!

Your presence is the only present that I really wanted  
(Uh)  
It's priceless

Whatchu got on it? (Uh)

Comin' over?  
I got you something gorgeous (Gorgeous)  
I've been saving up, so I could afford it  
I kinda over did it, but I got

Mistletoe wishes  
Cocoa godd ess, marshmallow kisses  
Only thing been on my mind since Thanksgiving  
And ganged up with Mishon, are you with it?

The first time I ever talked to you  
My heart told me you are a dream come true

And the first time you put your hand in mine  
I was wishin' it would last a lifetime

All I want for Christmas is my girl  
All I want for Christmas, Christmas is my girl  
[X2]

And we get close under the mistletoe  
And we watch the moonly shadow in the snow

And it was right then, the boy knew for sure  
That I got exactly what I asked for  
'Cause

All I want for Christmas is my girl

All I want for Christmas, Christmas is my girl  
[X2]

And I know I see angels  
(Angels)  
When I look in your eyes  
(Eyes... When I wake on Christmas day)  
You'll be my best surprise

Uh, uh  
It's your shawty

It's winter time, better button up  
Tryin' to keep warm  
Everybody coupled up  
Sittin' fire side, cocoa in the cup  
We just hanging like the fur under your Mukluks  
Yeah

Your presence here is a gift to me

Let the past be a warp  
Yeah  
Look, it's everybody  
Already think we go together  
That's what I'mma tell 'em  
Aye!

All I want for Christmas is my girl  
All I want for Christmas, Christmas is my girl  
[X2]
