(One, two, three)

When I'm broke, put me down  
Let the dust collect on me  
When I'm sad, put me down  
Like an anchor fallin' through the sea

I don't mind, put me down  
Turn the screw, spin me 'round  
When you're done, put me down  
Down  
Down

If I crack, put me down  
Let my skin peel away  
If I fade, put me down  
Certain damage, too much to say

I don't mind, put me down  
Turn me up, I won't make a sound  
When you're done, put me down  
Down  
Down  
Down

But I'm no good  
To you no more  
Just say the word  
I'll disappear

(solo)

I don't mind, put me down  
Turn the screw, spin me 'round  
Get the gun and shoot the hound  
When you're done, put me down  
Down  
Down  
Down

Down

Down  
Down  
Down
