(One, two, three)

Bom bom, bom bom, bom bom
Bom bom, bom bom, bom bom

Nothing's gonna break you, Sugarbones
No one knows how
No one's gonna take you down
That's what you always said to me
At first nothing's worse now
Hangin' by a thread, or was that yesterday?

Swear you didn't know
Swear you didn't know you'd change
You'd change

Bom bom, bom bom, bom bom
Bom bom, bom bom, bom bom

Bricks that fall on me don't really hurt
Sometimes it works out
I think it even feels better
I'm a stranger in this town now
Never noticed all they've torn down

Swear you didn't know
Swear you didn't know you'd change
You'd change

Bom bom, bom bom, bom bom
Bom bom, bom bom, bom bom

Nothing's gonna break you, Sugarbones
No one knows how
No one's gonna take you down

Swear you didn't know
Swear you didn't know you'd change
You'd change

Bom bom, bom bom, bom bom

Bom bom, bom bom, bom bom

Swear you didn't know, swear
(bom bom, bom bom, bom bom)
Swear you didn't know
(bom bom, bom bom, bom bom)
Swear, didn't know
(bom bom, bom bom, bom bom)
Swear, didn't know
(bom bom, bom bom, bom bom)
Swear you didn't know
(bom bom, bom bom, bom bom)
Swear you didn't know
(bom bom, bom bom, bom bom)
Swear
(bom bom, bom bom, bom bom)
Swear you didn't know
(bom bom, bom bom, bom bom)
Swear, didn't know
(bom bom, bom bom)
