(Chorus)

Lollypop, lollypop, ooh lolly, lolly, lolly,
Lollypop, lollypop, ooh lolly, lolly, lolly,
Lollypop, lollypop, ooh lolly, lolly, lolly,
Lollypop.

(Verse 1)

Oh my baby lollypop, might take a while,
Tastes sweeter than an apple pie,
And when she does the shakin, rockin down,
Man I haven't gotta chance,
(I call her)

-Chorus-

(Verse 2)

Sweeter than a candy on a stick,
Huck-a-berry cherry a li-ive,
If you have a choice, she'll be your pick,
But lollypop is mi-yi-yi-yine,

-Chorus-

(Verse 3)

Make a wish, it thrills me, take a while,
It's like a-lightning from the sky,
She loves to kiss me till I cant come straight,
Gee my lollypop is great
(I call her)

-Chorus-
