(written by kevin griffin)
(transcribed by ferlen david iii)

Baby
It's so close
Heart to heart
We won't be torn apart
Lately it's so hard
Try to feel my way in the dark

Still I question, wonder why
The world is spinnin' round and round
Half the time I'm upside down
Nothin' holds a castle to build to the ground
Yes I'm spinnin' round and round
Half the time I'm upside down
Forgive me if I hold onto you to touch the ground
Will I go spinnin' round?

Stranger days have come
Delta's goin' goin' gone
They've made a hole for the sun
Crazy it may seem
But reality has become the dream

Still I question, wonder why
The world is spinnin' round and round
Half the time I'm upside down
Nothin' holds a castle to build to the ground
Yes I'm spinnin' round and round
Half the time I'm upside down
Forgive me if I hold onto you to touch the ground
Will I go spinnin' round?
Oh...

Changin' times, changin' minds
Who mends the patchwork quilt made of pieces that
don't fit?
So excuse me if I keep fallin' down
A dizzy world makes dizzy plans
Made by a dizzy man

But still I question, wonder why

The world is spinnin' round and round
Half the time I'm upside down
Nothin' holds a castle to build to the ground
Yes I'm spinnin' round and round
Half the time I'm upside down
Forgive me if I hold onto you to touch the ground
Will I go spinnin' round?

Will I go spinnin' round?

I'm just spinnin' round and round and round and round
and round

I go spinnin' round and round and round and round
and round

Will I go spinnin' round?
