I got a little bit of hope,  
like a soap on a rope.  
Sweeter than sour,  
getting thinner by the hour.  
Falling fast,  
and I'm running out of gas.  
Mugging on your sister, smart as Bobby Fisher.  
Still I couldn't get arrested,  
Though I got more hooks than Madonna got looks.  
Just like that AC/DC song,  
"Come on baby, shake me all night long."

All I wanna do,  
Is stay till early in the morning.  
(You know I love you baby).  
And all I gotta say,  
Is your love's extraordinary.  
You're extraordinary, baby

Somebody push me through the door,  
I've been sleeping on the floor.  
31 flavors, listen to the neighbors through the wall,  
At the debutante ball.  
Cumba lada vista,  
Got a Mona Lisa.  
So much for the late rent, cause your money's spent,  
And it's cold inside.  
Just like that Barenaked Ladies song,  
I'm "hot like wasabi when" I'm next to your body.

All I wanna do,  
Is stay till early in the morning.  
(You know I love you baby).  
And all I gotta say,  
Is your love's extraordinary.  
You're extraordinary, baby.

Aint' love such a sweet thing.  
Ain't love such a sweet thing.

(Con fuego baby)

All I wanna do,  
Is stay till early in the morning.  
(You know I love you baby).  
And all I gotta say,  
Is your love's extraordinary.  
You're extraordinary baby.  
All I wanna do,  
Is stay till early in the morning.  
(You know I love you baby).  
And all I gotta say,  
Is your love's extraordinary.  
You're extraordinary.
