Lay your hands on the ocean
Lay your hands on the sea
You touch the heart with words
Oooh you satisfy me
You satisfy me

And then you took in hand
Pricked by poisoned pin
Painted the world one color
Oooh you drew me in
You draw me in

We won't read the end
Ezra pound

And if you say a prayer
Please say one for me
And if you light a candle, baby
Please light... light one for me

Did he say he loved you?
Will you still get through?
Did he say he loved you?
Will you still be...
Will you still be true?

We won't read the end
[will you still be true?]
Ezra pound

We won't read the end
[will you still be true?]
Ezra pound

We won't read the end
[will you still be true?]
Ezra pound

We won't read the end
[will you still be true?]

Ezra pound

You take alice b. toklas and gertrude stein
Put 'em all together and what do you find?
Alice b. toklas and gertrude stein
You put 'em all together and what do you find?
Alice b. toklas and gertrude stein
Put 'em all together

I said sticks and stones can break my bones
But this world can never hurt me
I said sticks and stones can break my bones
But this world
This world can never hurt me

We won't read the end
World can't never hurt me
[ezra pound]

We won't read the end
World can't never hurt me
Oooh yeah, ezra pound

Down in the mess where I wanna be
Stop and find the things that you have not found
Oh, you can never found

[we won't read the end]
[ezra pound]

I ain't everything

Ezra pound.
