Will you fight, for the cause?
Can you teach the savage mind?
Their ways are wrong, help them see
What they want and what they need?
And if we have to twist their arms
They know not what they do is wrong

And if you said, I would go to heaven
Now, maybe I'll try
And if you said, I would go to heaven
Now maybe I'll, maybe I'll, maybe I'll try

Heretics and hypocrites
Wear the same face through the years
Of telling lies and laying blame
Damn the fire that feed the flame
Don't dance, or sing, or try to think
Their image is planted in your head

And if you said, I would go to heaven
Now, maybe I'll try
And if you said, I would go to heaven
Now maybe I'll try

Ivy is just a dog
With a heart that's noble as
The greatest man, who ever lived
Won't you please, help her learn?
And if we have to twist her arm
She knows not what she does is wrong

And if you said I would go to heaven
Now, maybe I'll try
And if you said I would go to heaven
Now, maybe I'll try

And if you said I would go to heaven
Now, maybe I'll try
And if you said I would be a rich man
Now maybe I'll, maybe I'll, maybe I'll try

Maybe I'll try

Maybe I'll try
Maybe I'll try
