

Better Than Ezra "Hey Love"

I haven't felt you for a while
I haven't had much opportunity to smile
I see you in the eyes of couples passing by
As soul mates kiss the innocence too long I've been
denied

Hey love, where you going?
Hey love, how you been?
I wish you'd stay a little longer

No, that's okay, I understand
Maybe another day
Hey love, old friend there you go again

I found a photo and you were there
Captured in our faces just before you disappeared
It was nice to know you if only for a while
To come and go with a sweet hello and a bittersweet
goodbye

Hey love, where you going?
Hey love, how you been?
I wish you'd stay a little longer

But that's okay, I understand
Maybe another day
Hey love, old friend there you go again

I don't know where I am
I don't know
I don't know where I am

And if every new beginning is just another's end
Tell me love why should I begin again?

Hey love, where you going?
Hey love, how you been?
Well, I wish you'd stay, stay a little longer

No, that's okay, I understand
Maybe another day
Hey love, old friend there you go again

There you go again

Can you come back?

Can you come back, love?

Can you come back?

Can you come back, love?
