Where have you gone my Rosealia?
Into the crowd he'll never find you
If you walk real fast and you stay down low
So many times so many chances
This one could be your last

You say no, no, no, the fighting has left you tired
You say no, no, no but the fighting goes on
Put on your mask wearing your cape
Put on your mask my Rosealia
Put on your mask wearing your cape
Put on your mask my Rosealia

What has he done my senorita?
His kind of love is gonna kill you
Do you fake a smile when you dodge the blows?
So many times so many chances
This one could be your last

You say no, no, no the fighting has left you tired
You say no, no no but the hurting goes on
Put on your mask wearing your cape
Put on your mask my Rosealia
Put on your mask wearing your cape
Put on your mask my Rosealia

Jealousy can rip your heart out
And jealousy can turn a hand into a fist

You say no, no, no the fighting has left you tired
You say no, no no but the fighting goes on
Put on your mask wearing your cape
Put on your mask my Rosealia
Put on your mask wearing your cape
Put on your mask, my Rosealia

Put on your mask wearing your cape, baby
Put on your mask wearing your cape my Rosealia
My Rosealia
