Wwoz is on in stereo
A string of flowers haloed around your head
Candle light
The ceiling fan
Curtains blow away and back again
Back again

Don't wake me, I think I'm in a dream

Sleeping is easy
I used to lay in bed for hours
I've waited a lifetime now maybe I'll learn

Calling back and forth through heavy
Barges sound their warnings in the dark
Peace comes like a trusted friend
As it starts to rain again fall away
Fall away

So don't wake me I think, I'm in a dream

Sleeping is easy
I used to lay in bed for hours
I've waited a lifetime now maybe I'll learn

Sleeping is easy
I used to walk the streets for hours
I've waited a lifetime now maybe I'll learn

Let go of your fear, let's grow old together
Find a place along the way
Let's reel through the years
Each makes the other better
But what thoughts can I call allies
When this circle of ribs keeps working on its own?

Sleeping is easy
I used to lay in bed for hours
I've waited a lifetime now maybe I'll learn

Sleeping is easy
I used to walk the streets for hours

I've waited a lifetime now maybe I'll learn, maybe I'll
learn

WWOZ is on in stereo
Well it's on in stereo
Well it's on in stereo
Well it's on in stereo
