(Who's this?)  
(Da-Ddy!)  
(Yan-Kee!)

unito mambapa' que mis gatas prendan los motores...  
Zumbale mambo pa' que mis gatas prendan los  
motores...  
Zumbale mambo pa' que mis gatas prendan los  
motores...  
Que se preparen que lo que viene es pa' que le den...  
(Duro!) Mami, ya yo se que tu no te me vas a quitar...  
(Duro!) Lo que me gusta es que tu te dejas llevar...  
(Duro!) Todos los weekend'es ella sale a vacilar..  
(Duro!) Mi gata no para de janguear, porque...

A ella le gusta la gasolina  
(Da me mas gasolina!)  
Como le encanta la gasolina  
(Da me mas gasolina!)  
A ella le gusta la gasolina  
(Da me mas gasolina!)  
Como le encanta la gasolina  
(Da me mas gasolina!)

Ella prende las turbinas  
No discrimina  
No se pierde ni un party de marquesina  
Se asicala hasta pa' la esquina  
Luce tan bien que hasta la sombra le combina  
Asesina, me domina  
Janguea en carros, motoras y limosinas  
Llena su tanque de adrenalina  
Cuando escucha reggaeton en las bocinas

A ella le gusta la gasolina  
(Da me mas gasolina!)  
Como le encanta la gasolina  
(Da me mas gasolina!)  
A ella le gusta la gasolina  
(Da me mas gasolina!)  
Como le encanta la gasolina  
(Da me mas gasolina!)

Aqui nosotros somos los mejores, no te me ajores  
En la pista nos llaman "Los Matadores"  
Tu haces que cualquiera se enamore  
Cuando bailas al ritmo de los tambores  
Esto va pa' las gatas de to's colores  
Pa' las mayores, pa' las menores  
Pa' las que son mas zorras que los cazadores  
Pa' las mujeres que no apagan sus motores  
Tenemos tu y yo algo pendiente  
Tu me debes algo y lo sabes  
Conmigo ella se pierde  
No le rinde cuentas a nadie  
Tenemos tu y yo algo pendiente  
Tu me debes algo y lo sabes  
Conmigo ella se pierde  
No le rinde cuentas a nadie

Zumbale mambo pa' que mis gatas prendan los  
motores...

ENGLISH:

Da - ddy Yan- kee !  
shake it mambo so that my cat (cat = babe) can turn on  
the engine,  
shake it mambo so that my cat (cat = babe) can turn on  
the engine,  
shake it mambo so that my cat (cat = babe) can turn on  
the engine,

Get ready, because whats coming is to give it to her,

(hard!  
Mamita, I know that you aren't going to take away  
(hard!)  
What I like is that you let yourself get taken away  
(hard!)  
every weekend she goes out to have fun (hard!)  
my cat doesn't stop hanging out because

She likes gasoline (give me more gasoline!)  
How she loves gasoline (give me more gasoline!) 2x

The turns on the turbine  
she doesn't discriminate  
She doesn't even miss a fancy dress dinner  
She gets dressed up even to go to the corner store  
She wears things so well that even shadow favors her  
assassin, she dominates me  
she hangs out in cars, motorcycles, and limousines,  
she fills her tank with adrenaline,  
when she listen to reggaeton in the kitchen

She likes gasoline (give me more gasoline!)  
How she loves gasoline (give me more gasoline!) 2x

(me!) Here I'm one of the best  
Don't leave me  
On the track they call us "the killers"  
You make anyone fall in love  
when you dance to the rhythm of the drums  
this goes out to cats (cats = babes) of all colors  
for the older ones, for the younger ones,  
for those who are more foxy (foxy = player) than the  
hunters  
for the women who never turn off their engines

You and I have something coming  
you owe me something and you know it  
with me, she loses herself,  
she doesn't surrender explanations to anyone 2x

shake it mambo so that my cat (cat = babe) can turn on  
the engine,  
shake it mambo so that my cat (cat = babe) can turn on
