Hey! Yo, Mami

Tu lo que necesitas es un masajito, un sobo
En la sala de mi casa solos sin ningÃn estorbo
Del barrio ya llego tu sicario
Mami contigo es que yo quiero botar el calcio
Me miras, yo tambiÃ©n te miro
Te gusta como yo te tiro
Boricoso, bien New Yorquino
Ya tu sabes, a lo gangsterino
Va el caballo a su paso fino
Con un verbo muy asesino
Poco a poco yo la domino
Suavemente se fue conmigo
Vamo'a allÃi, yo no muerdo mas
AsÃ que echa pa' acÃi
Sabes a lo que vas
'tamos grandes ya
Soy un cangri-man
Tu una gata gangster dangerous
(Los dos!) Entrega'os...
(Los dos!) Amarra'os...
(Los dos!) Concentra'os...
Ponte relax, suelta el estrÃ©s

Que andas con un veterano
Conmigo es otro nivel, oh yeah
AsÃ que estas en buenas manos
No tienes que disimular
No lo pienses y vÃimonos al grano
Entonces apuntale otra victoria para el...

Machete... (In and out!)
Machete... (In and out!)
Machete... (In and out!)
pucutum, pacatap, pucutum, pacatap
Machete... (In and out!)
Machete... (In and out!)
Machete... (In and out!)

(Paul Wall, baby!)
What it do, look mami
In the club I see you shakin'
Lookin' sexy in a skirt
But girl I'm tryin' to get you naked
I got the right words
And baby you got some nice curves
So roll with me, I might splurge
And fill your mouth with icebergs
You watchin' me, I'm watchin' you
What it do, let's chop it up
I got some games, I'm on the play
Lil' mom, I'ma tryin' to cut
Beat it up and break your back

Lay the wood and make you sweat
Girl, it's gonna be a long night
I'm wide up and ready to rake
C'mon and gimme a midnight snack
And I'm gonna have you moanin'
So good you're gonna cook me breakfast early in the
mornin'
You know I'm Paul Wall
The ladie's man with lotsa juice
Baby, I'm hung just like a noose
Look girl, I'm tryin' to get you loose
My eyes peel on your caboose
I'm on the scheme, tryin' to plot
Tryin' to get inside your lot
Makin' moves to make you hot
Mi casa es su casa
So come on over and spend the night
I'm certified to break your back
So holla at me, I'll cut you right

Machete... (In and out!)

Machete... (In and out!)
Machete... (In and out!)
(Machete, machete!)
Machete... (In and out!)
Machete... (In and out!)
Machete... (In and out!)
(Machete, machete!)

Ma', tu no estas amarra de ningÃn jinete
(I got what you lookin' for, Daddy!)
Pues vÃmonos, esta noche me quiero dar un
banquete
(I got what you lookin' for, Daddy!)
pucutum, pacatap, pucutum, pacatap
Tu estas buscando fueete
Ma'... (I got what you lookin' for, Daddy!)
TÃ quieres la segunda parte, chula, del machete
(I got what you lookin' for, Daddy!)

pucutum, pacatap, pucutum, pacatap
pucutum, pacatap, pucutum, pacatap
Oh, oh, oh!
Oh, oh!
pucutum, pacatap, pucutum, pacatap
pucutum, pacatap, pucutum, pacatap
Oh, oh, oh!
Oh, oh!

Machete... (In and out!)
Machete... (In and out!)
Machete... (In and out!)
(Machete, machete!)
Machete... (In and out!)
Machete... (In and out!)
Machete... (In and out!)
(Paul Wall, baby!)

(In the house!)
(Straight up out the Lone Star State!)

But with big hearts!
